

Camper Code of Conduct 2021

This code is in effect from the 2 day of June, 2021.

Campers,

Windmill Family Campground welcomes you back! Please read this Code of Conduct (the Code) and review it with all family members. The rules in this Code must be followed to ensure we all stay safe and do not engage in activities that contravene any Provincial or Federal Government regulations and ensure we comply with all health regulations. It is important to remember that, ultimately, we are all in charge of our own health and safety. Please remember to bring a mask and gloves or hand sanitizer for the occasion that you will need it.

This Code is over and above our normal campground rules, which still apply. Strict enforcement of all rules will be in place for all registered names on your occupancy agreement. Any camper, regardless of age who breaches this Code will be asked to leave the campground immediately and your Licence of Occupation will be cancelled immediately.

If you have a fever or flu-type symptoms, please stay home. If you have tested positive for COVID-19, are a presumptive case, or have been in contact with anyone who has tested positive or is a presumptive case, we request that you do not attempt to enter the campground. Please remain at your residence until you have been cleared by your local health department and/or you have finished your self-isolation of 14 days.

If you are returning from travel from outside of the province of Ontario, do not plan to visit the campground for a period of 14 days, please remain home.
